Part I. PEOPLE® Introduction

INTRODUCTION:

“PEOPLE” is a non-profit society established in 2006. We aim to uplift and empower children from Rural and marginalized communities, ensuring their basic educational rights, preventing child marriages and preventing child labour. Furthermore, we work with devadasis and other vulnerable communities to bring them into the main stream and ensure justice, equity and equality. At present, the society is working for 10 years in Davanagere districts. The society is managed by the Board of Directors with professional zest and concern for Children and is headed by a Chairman and Secretary

PROBLEM

Whether we accept it or not “Street children, Unaccompanied Children, Malnutrition Children, and Working Children or Child laborers, Child marriage” are happening only among weaker sections of our society since they are more vulnerable and easily prone to exploitation, harassment, abuse, diseases and untouchables by public, deprived of love and affection, lack of care, un-hygiene living conditions. Apart from that majority of these young at risk are prone to addictions due to unavoidable realistic reasons which they have undergone in their life such as broken families, ill-treatment by parents or family members, company of bad peers, influence of elder or senior street children, to pass time, forget the past or sad part of their life and to live in a dream world than existing world.

Aims of PEOPLE®

Vision :-The ‘PEOPLE’ organization envisions social justice and equity to the Marginalized community through their empowerment and development, in order to enhance their rights - status, dignity and self respect.

Mission :The ‘PEOPLE’ organization strives to protect and advocate the rights of the Marginalized community through ensuring campaigns and networks and stabilize the community in enhancing their participation in the decision making process and building such systems that contribute to provide the community, access to the natural resources, and facilitating such measures that provide sustainable livelihood opportunities.

OBJECTIVES:

- To promote and run the rural and urban development projects, especially to develop the socio-economic life of the poor and weaker section in collaboration with local groups, government agencies and Indian and foreign agencies
- To up hold the human, women and child rights.
- To promote the welfare of women and children acuties.
- To promote national integration and social reforms and public awareness.
- To work towards the promotion of social justice to the vulnerable sections of society with special reference to the Marginalized community.
- Create awareness among the children, public, authorities and other organizations regarding the dangers of trafficking, physical and sexual abuse child marriage and ways of combating and preventing of the same.
