### **Introduction to Karuna Seva Samithi**

Karuna Seva Samithi was founded in 2003, by a group of Social Activities and likeminded people to work for the in order to contribute/perform their rich experiences in the Social work field and to create opportunities to all without any discrimination among the people and to build a exploitative society.

### **AIMS AND OBJECTIVES OF THE SOCIETY**

- Women and child empowerment.
- To promote awareness of various social issues including health, education, gender discrimination, child rights, human rights and legal entitlement.
- To provide Vocational skills training for women and young people in the slums.
- To conduct workshops and seminars on issues relating to women and between schools.
- To establish child communication on behalf of those we support at the level of both state and national Government.

### **Current Programmes of the society**

- SHG (Self help group) Savings and thrift Programme.
- Akshara Dasoha- Mid Day Meal programme to Govt/ Aided school children.
- Ksheera Bhagya- hot milk to the govt/aided school children.
- Help desk for women, widows, old age people and handy caps.
- Tuitions centers.
- Adult education programmes.
- Poor feeding programme.
- Medical camps and awareness programme.
- Legal awareness programmes for women's and youths.
- Skill development for women and youth.
- Family counseling.

## **SHG (Self Help Group) Savings and thrift programme**

Karuna Seva Samithi is forming and running self help groups as savings and thrift Programme we started forming and promoting of self help group in our operational Areas, Since from the inception till date we have 100 self help groups, really some groups are very strong and running their groups in a systematic manner we are helping them to develop and encouraging them for income generating activities and we are recommending them for loan facilities from Banks in a lower interest since the groups borrowings in high interest with the Financers.

## **AKSHARA DASOHA (MID DAY MEALS PROGRAMME)**

Karuna Seva Samithi is running Akshara Dasoha a mid day meal programme for govt and govt aided school in Bangalore city in the increase the enrollment in the schools, the Govt of Karnataka has introduced the programme we have taken care about 4000 children at 20 schools of Bangalore urban District and supplying the cooked food to schools every day on schools running days, it is really a wonderful programme we are very much satisfied to implement this programme, Because children are regularly getting one time food at school, from the schools, we are getting good responses and appreciation's and we are appreciated from the public's also in this regard.

## Ksheera Bhagya Programme

Ksheera Bhagya is the government programme started from 2013 August and it helps children's to healthy and wealthy to concentrate on studies , the children who comes to school without food in the morning who gets hot milk to drink they are very happy to coming school and we are covering 4000 children's every day feeding hot milk under the Ksheera Bhagya scheme.

## Help desk for women, widow, old age people and handy caps

Karuna Seva Samithi is acqipping for women, widows who have no husband's old age people and handy caps pensions and as well as we make their ration cards from the department of govt to get good facilities.

## Medical and awareness programmes

Karuna Seva Samithi in collaboration with lionce club and other organization conducting free medical camps half yearly once for poor and needy patients.
