ANNUAL REPORT - 2015-16

Genesis :-

The organization was established in year and the aim to help and support of rural and urbals people and children. The organization since very beginning formed a group of volunteers in every village and tried to convince them the cause for which organization has come in to existence. Today we are happy that despite all odds we have mobilized men and women and make then aware about their rights and facilitated them grow our strength is our volunteers who are working tires sly for the cause of poverty and development.

Mission: -

The main mission of our organization is to promote of helpless people of remote village.

The organization has been governing the different types of educational & training programme for the helpless, the poor, the physically handicapped, the old, the women and the children for the welfare of the society that is described in our yearly report that is being presented by me.

ACTIVITIES/PROGRAMM :

The details of programme in different year and main activities details are as follows:

VOCATIONAL TRAINING

Our society started vocational training programme to promote self-reliance and self-employment for women and youths who were unemployed and searching job. In this programme society started all educated and uneducated women in view of their requirements. Under vocational training programme our society-started computer training, typing, handcrafting, tailoring-sewing, we

CULTURAL PROGRAMME :

The organisation often organise cultural programme for the health entertainment and knowledge of the rural people living in the villages, the village people are deprived of this facilities because no cinema halls, common room, play ground, theatres, planetarium are available in the rural areas. In order to facilitate the people with healthy entertainment, the organisation arranged the drama and video film shows on the occasion of independence.

LITERACY PROG.

Organization has executed Literacy improving programme for women, farmers, labourers and child labours in several parts of Bihar. Awareness conducted by the institution for 35 days. The resource person available indigenously was given their services voluntarily.

Books and teaching materials were organized by the Organization, from people's co-operation. It was apprehended that this programme should be conducted through the assistance of government and other funding agencies for the grand success of this programme. The Committee has laid down various innovative Programmes to implement the literacy programme.

YOGA AND NATUROPATHY PROGRAMME:

Our society has organized a free eight-day yoga and meditation camp. The camp, which was inaugurated by the Chairman/Secretary, proposes to provide holistic and rejuvenating therapies for chronic diseases. Under this programme society also organize camp teach about yoga, acupressure & naturopathy cum exhibition & sell of instruments related with these in different areas of Patna district.

OLD AGE CARE PROGRAMME:

For the sake of welfare and rehabilitation of aged people in the age group of 60 years and above, old aged home is running by SOCIETY extended all possible help for them.

The main objectives of this Programme is—

- To foster the welfare of the needy aged.
- To assist the elderly irrespective of caste and creed.
- To create confidence amongst the aged and help them to take decisions on their own pertaining to their lives.
- To create younger generation and in society, a social awareness about the problem of the elderly.

Under this Programme, our society provides the beneficiaries recreation facilities, Health care, Nutrition and arrangement, training for income generation.

WOMEN EMPOWERMENT PROGRAMME:

The knowledge, skills and inputs obtained as 'education' learners could be of immense use to women in consolidating their role in decision-making. They can embark a measure for capacity building among other disadvantaged women, organize the neighborhood, formulate livelihood strategies and ensure protection against vulnerabilities.

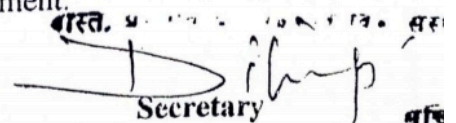

ENVIRONMENT AWARENESS CAMP

Environment education involves a comprehensive, life-long education, one responsive to changes in a rapidly changing world. It prepares the individual and communities for life, through an understanding of the major problems of the interaction of the biological, physical, social, economic and cultural aspects of the individual and communities. It provides skills and attitudes needed to play a productive role in improving life and values. In order to enable people to enjoy good health and high quality of life make environment friend.

Our society realised government system cannot enable to control environment pollution, it is only possible with support of community. Awareness programme camp organized our society and actively engaged in implementing various environmental protection and development programmes to mobilize community.

RURAL DEVELOPMENT PROGRAMME:

Society organised many programme for rural development and working for upliftment of the life and livelihood of rural India. It aims to promote a single window delivery need based services in the areas of education, health, nutrition, weather, environment, agriculture and livelihoods to rural women and men. According to society developmental programme for rural areas is necessity to up gradation of economic, social and gender equity. Society helps to enhance ecological and livelihood security and accelerate human development and quality of life by taking the benefits of the space age for improving the productivity, profitability and sustainability of agriculture and for generating value addition on farm and non-farm employment.
