SECRETARY

LITERACY PROG.

It has become a challenge for us to get familiar with our environment issues and contribute collectively for improving our quality of life. This can only be possible through imparting both formal and informal environment education to each of us young and old and transcending classes of people.

Our society working for community involvement, we know that success of project involvement of community is most important. To protect environment our society starting intervention programmes in many panchayats of project area. For involvement and interact of community our society working social & cultural activities, wall writing, banners and distribution of advertisement goods.

SANITATION PROGRAMME:

Our organization organized sanitation programme in the Patna District. Sanitation is most for health and hygiene. We should attention on Sanitation, because of it we cannot live healthy it is universal truth that sound mind in a sound body hence, our first and foremost priority should be sanitation. Our organization has decided to employment sanitation programme in all villages of Panchayat. The means of sanitation is not only to clean hin.self but also environment road, where we live, house, school, and collage, Hospital Market, station River and other useful resources.

DRUG DE ADDICTION:

Between three and four percent of the world's population regularly consume illegal drugs and the number of countries affected is growing. Intravenous drug use is one of the leading causes of the spread of AIDS, with devastating consequences across the globe. The consumption of some new drugs is also increasing, especially among young people; criminal organisations have no scruples in taking advantage of globalisation and technological advances in illicit trading of such substances.

Drugs continue to harm and destroy many human lives. Valuable human and financial resources continue to be diverted away from productive activities. The global implications and cross-border nature of drug abuse and illicit trafficking made the Society an instrument for waging a war against the evil. Society sponsored activities to generate public awareness of the harmful effects of drugs and undertakes research to monitor the drug problem.

PLANTATION PROGRAMME:

Our organisation successfully planted trees of various verity such as Amrapali, Maldah, Bombay, Kalkatia, in fruits and Neem, Jammun, Banana, licchi, Kathal and many more verities of public utility trees.
