PRIDE (R) CHANNAPATANA

Promotion of Rural initiatives for Development and Education.

ANNUAL ACTIVITY REPORT FOR THE YEAR 2018-19

Mission Statement

"Help & construct a society which is self reliant, conscious of socio economic issues, where there is a spirit of cooperation, where women are appropriately skilled to undertake their choice of activities without hindrances or dependence, where there is leadership development while maintaining gender equity & above all each having a respect for the values of others and each striving for the greater good of the society.

PRIDE (R) is a registered organisation established a group of like-minded people to initiate various socio-economic, Educational, Vocational, Cultural, Health and Environmental activities for the welfare and the development of Rural and urban disadvantaged sections. The activities initiated by the Trust during the reporting period are as under.

I. EDUCATION DEVELOPMENT SECTOR

Though the number of literate people in India has increased over the years, she still has the largest number of uneducated children in the world - two-thirds of whom are girls. Government reports indicate More than 25 % children between 6-14 years do not attend school. Official information further indicates that just a little over one-third of all children who enroll in grade one reach grade eight. All this for a country which has made education for children in the age group 6-14 years a fundamental right? Your help will go a long way in providing educational opportunities for children who would otherwise be left

Our Organisation have been collaborating with the efforts of the department in providing quality education. We are interacting closely with the local communities and shape their attitudes. Each of these NGOs has its own philosophy and vision. According to our vision they we take up tasks related to different areas of educational development. We have given to local community a list of links to know more about our Organisation and their functioning in Channapatan taluk of Ramanagar district of Karnataka.

1. CHILD LABOUR AWARENESS PROGRAMME:

Most of our rural communities are not aware the Child Rights which is government has granted to the children are attending the age of 18 years or below 18 years children and they have some rights like getting proper education, involvement. Sharing and participating rights and they cannot disturb in any manner. The organisation created the awareness generation programmes at Kodambally, B.V.Hally, Tittamaranahally, Mallurpatana and Kudalur. The total amount spend for this programme for the year 2019 is Rs.16,375/-

2. CHILD RIGHTS AWARENESS PROGRAMME:

Asserting child right has been a major drive in all our activities across various projects. To achieve awareness about child rights, various clubs have been formed in the rural villages, and these clubs were provided with training and capacity building to improve and strengthen the activities concerning child rights. Child rights and child protection were conversed in education programmes and children's parliaments were conducted in several villages to highlight issues related to them. These children's parliaments were linked with other stakeholders such as the villages education committee, the village watch dog committee, the protection committee etc. this has paved the way to increase the awareness level among the village population and work on issues related to child protection at school and community level. With a focus on ensuring child rights and child participation, children's groups have been formed in the project villages. Activities geared towards importance of education, personal hygiene & health, social skills and values, and child rights today has brought in noticeable changes in their values hand behavior, cleanliness, better social skills and personal hygiene. Campaigns were conducted by children to highlight the importance of child rights on special days such as the

international Child Rights Day, Children's Day and Child Labour Day are celebrated by involving 200 children's representatives from various village and actively participated and created awareness among the community ad child rights and all the children were encouraged to pursue their studies diligently.

2. CONSUMER AWARENESS PROGRAMME:

Organisation feels that It is necessary to inform the rural population who are unaware of the state and central Government programmes and the benefits of the schemes. And also the rural women folks will be created in ensuring all the measures which are to be taken in purchasing the essential goods. The awareness programme is intend to make likely beneficiaries aware of their rights and enthuse local administration to play a more pro-active role, having this in mind the mass consumer awareness camps were organized in entire project area through public meetings, functions and group discussions. The rural community was actively involved since from starting to completion of the programme. Subject matter specialists, dignitaries and target population are appreciated the programme and expressed that this kind of programmes will helpful in their day to day life The total amount spends for this programme for the year 2019 is Rs.25.170-00.

3. COMMUNITY LIBRARY PROGRAMME:

Children in the coastal villages do not have access to learning materials in their schools. To acquaint and familiarize children with a variety of literature and to promote the habit of self-study and reading, a community library has been established at channapatana Mahila Santhavana Kendra. It houses textbooks, guides and books on child rights, human rights, social awareness, general reading, cultural and artistic oriented books, magazines and newspapers for the use of the local Community This library hour is earmarked with objectives of improving reading skills, developing comprehension skills and promoting self-learning habitsThe total amount spend for this programme for the year 2019 is Rs28,520.00

II. HEALTH SECTOR

Under health sector organization having an ideology is that "Health is Wealth" with this saying organization has given more important to this sector. Rural community has not having much knowledge about health. Healthy human being can take up any kind of work and they can take up any kind of work and they can involve their family and community developmental works. During reporting period organization has taken following activities in health sector.

1. DRUG ABUSE AND DE-ADDICTION PROGRAMME:

This Idea Book offers practical strategies for assessing and responding to the varied needs of communities affected by HIV. Creative and effective activity examples illustrate how Volunteers can empower people living with HIV and AIDS, overcome common obstacles to HIV/AIDS-related work, and adapt other development efforts to lessen the impact of HIV/AIDS on families and Communities, The Drug Abuse and De-Addiction programme is one of the activities of the Organisation. Organization organizing and conducting awareness camp on drug abuse and de-addiction to control the rural community those who are addict in alcohol and drug abuse which is spreading like anything in the rural area. This serious evil can be avoided through awareness. Keeping this in mind organization continued and conducted a mass education programme in project villages and some are sent to rehabilitation centre. The total amount spend for this programme for the year 2019 is Rs.35,220-00

2. ENVIORNMENTAL PROGRAMME:

Most of our rural areas are not much aware about the Biodiversity and its benefits to human beings and they are not having the knowledge about its protection for the new generations. Keeping this in mind organisation conducted on 15-03-2019 and16-03-2019 a day each seminar and action oriented activity to create awareness about the importance and uses of Bio-diversity and a action oriented activity to protect the Biodiversity to next generation to lead a happy life. Created awareness about the role of biodiversity in the human life. The total amount spends for this programme for the year 2019 is Rs. 16,980.

III. COMMUNITY DEVELOPMENT SECTOR

In Community Development Sector, organization has taken very proactive role in the field of Community Development. The Women Groups, Youth Groups and Village based organizations were involved in almost all the Community Development programmes. The details of the programmes were given below:

1. WOMEN EMPOWERMENT PROGRAMME:

Women has a vital role in both family and community development and local government having different programme for women empowerment, but our rural women folk were not coming out from their family and society to understand the concept of the programme and its benefit towards women empowerment schemes like "Strishakthi" and women swavalambana programme in connection to that our organization has conducted women empowerment training programme for our organized self-help groups and Strishakthi women group members. The training programme was organized 2 days each from 9th to 10th February 2019 to 27th to 28th February 2019 at Honganur and Kodambally villages respectively. Totally 60 women group representatives were under gone this training, we were discussed issues like savings, selection of benefits, loan disbursement government shares and programme.
