## **PART D - Learning Outcomes**

### **1. Please describe any key learning's have you made in this year**

- Sign Language
- Early identification & identification process skill in all Disability .
- Niramaya & other Social Security schemas & application Process .
- Fund Rising Skill.
- Leadership Quality.
- Software Download & computer protection through wires & other skill.
- Trough Leap reading child don't learn any thing & through Leap reading Reading with sign child easy to understand all things.

## **PART E – Sustainability/Exit Strategy**

### **1. What steps have you taken in this year to ensure that your project will be sustainable in the long term?**

\* We formed Parents alliance group in federation level & PWD's Parents SHG groups monthly conducted training & meeting . Trough this we build their capacity. Now our parents attend DC level meeting , express their & their child situation in community. Now their network was good. Through this network we they get facilities.

\* We mobilize local resource for supporting activity.

\* To start speech therapy school in our area .

\* Our organization Register in NTA Act .

## **PART F – Expectations from RSO-APD**

### **1. In order to continue to work towards achieving your outcomes what do you require from RSO-APD to support you to realize your goals?**

Always APD support in RSO partners. We learn lot of things .We need

- Sign Language Training.
- CBR training.
- Fund Rising Training.
- Advocacy level work.

**2. Is there any additional project related information which you would like to inform us of ?**

**Achievements :**

- *On 15<sup>th</sup> March 2017 we participated “ Hearing Aid Distribute Comp at Vijayapur “ 14 Children .get Hearing aid, 7 other Disability got Wheel chair, MR & CP Kit etc.*
- 1 Child Amit. Ratnaker.Jawalakar get Hearing Machine in TMC Muddebihal 3 % Budget.
- Rise fund for programme.
- 57 children apply Scholarship in DWD.
- Our NGO Register in NTA Act .
- 12 Deaf children Bus Pass & 10 Deaf children got ID card .4 children got pension.
- 20 members audiology test was don .
- 1 Deaf childDyamavva. Shekhappa Nadahatti refer to RBSK & operation was successful complete.

**Thank You**
